## ODD SQUAD: THE MOVIE (Video)

**10:30 am-12:00 noon (Do not need to register)**

**Webb Center, Cafeteria**

When a rival agency called Weird Team arrives with a gadget that fixes any odd problem, Odd Squad suddenly doesn't have any cases to solve and goes out of business – forcing the agents to go back to their lives as regular kids! After using math and teamwork to uncover that Weird Team's gadget isn't actually fixing problems, only covering them up, Olympia and Otis join forces with Olive and Otto to stop Weird Team – and save the world from destruction!

Have an unusual mystery to solve? Are things suddenly quite peculiar and ...

odd? Then you need ODD SQUAD, a high-tech agency run by kids who investigate unusual cases. This imaginative, live-action series from the Fred Rogers Company encourages kids to use math concepts and teamwork as they solve problems and set things right. *ODD SQUAD* airs on WHRO 15.1 at 8:00 am and 3:00 pm Monday-Friday and 11:00 am on Sundays. The show airs everyday on WHRO KIDS 15.3 at 8:00 pm & 8:30 pm and 4:00 & 4:30 am.

## Mock Competition (You bring your own equipment)

**10:30-11:30 am**

**Webb Center (behind registration area in front lobby-pick up problem at the registration table)**

During the time that the students are competing, we will also have an area set aside for the coaches and/or parents to come and participate. You will be given the opportunity to see the problem of your choice, and work on it while the students are competing. You will need to supply your own computer and other needed equipment. The solutions will not be judged, but this will be an opportunity for you to discuss with your students how you came up with your solution.
