The 2018 Virginian-Pilot Spelling Bee on WHRO -

On February 17th, 2018, WHRO hosted The Virginian-Pilot Spelling Bee for the tenth year in a row. Throughout southeastern Virginia and northeastern North Carolina, 58 public schools, independent schools and home school associations all held local school bees and sent their winners to WHRO, where the area's finest middle school spellers competed for the regional title. The first place winner Michael Volkov, from Virginia Beach's Princess Anne Middle School, will now travel to Washington D.C. to compete in the Scripps National Spelling Bee.

Mock Competition (You bring your own equipment)
10:00 am-12:00 noon

Webb Center (behind registration area in front lobby-pick up problem at the registration table)

During the time that the students are competing, we will also have an area set aside for the coaches, parents and/or alternates to come and participate. You will be given the opportunity to see the problem of your choice, and work on it while the students are competing. You will need to supply your own computer and other needed equipment. The solutions will not be judged, but this will be an opportunity for you to discuss with your students how you came up with your solution.
