We recommend that the teacher coach take the students orders BEFORE the competition and then pick up the food right before the end of the competition. All prices are comparable to local fast food restaurants. You may choose to have your students bring their lunch, or you may wish to patronize one of the many restaurants in the area. (Some are within walking distance.) You will have to arrange your own transportation if you leave the facility. You can check out the Village Merchants here. <http://www.oduvillage.com/merchants.shtml>

Other ODU facilities open (note that the tech store is no longer in the Webb Center):

- Monarch Market – 8:00 am – 3:00 pm

The 2019 Virginian-Pilot Spelling Bee on WHRO -

On February 16th, 2019, WHRO hosted The Virginian-Pilot Spelling Bee for the eleventh year in a row. Throughout southeastern Virginia and northeastern North Carolina, 63 public schools, independent schools and home school associations all held local school bees and sent their winners to WHRO, where the area's finest middle school spellers competed for the regional title. The first place winner Victoria Vidal, from Virginia Beach's Virginia Beach Middle School, will now travel to Washington D.C. to compete in the Scripps National Spelling Bee. <http://education.whro.org/spellingbee>

Mock Competition (You bring your own equipment)

10:30-11:30 am

Webb Center (behind registration area in front lobby-pick up problem at the registration table)

During the time that the students are competing, we will also have an area set aside for the coaches and/or parents to come and participate. You will be given the opportunity to see the problem of your choice, and work on it while the students are competing. You will need to supply your own computer and other needed equipment. The solutions will not be judged, but this will be an opportunity for you to discuss with your students how you came up with your solution.
