

Coaches, welcome to the Great Computer Challenge 2020.

As part of our agreement with ODU, we need to be able to contact team coaches in the event of an emergency. To meet this requirement, we are asking each team coach to sign up for an account with remind.com. (A brief tutorial is provided below.) Once you have signed up, join the GCC2020 class to receive any time sensitive text messages during the competition.

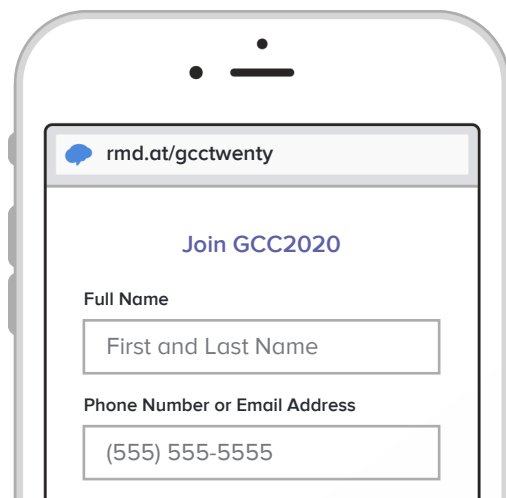

Pick a way to receive messages for **GCC2020**:

**A** If you have a smartphone, get push notifications.

On your iPhone or Android phone, open your web browser and go to the following link:

[rmd.at/gcctwenty](http://rmd.at/gcctwenty)

Follow the instructions to sign up for Remind. You'll be prompted to download the mobile app.

**B** If you don't have a smartphone, get text notifications.

Text the message [@gcctwenty](https://www.remind.com/@gcctwenty) to the number **81010**.

If you're having trouble with **81010**, try texting [@gcctwenty](https://www.remind.com/@gcctwenty) to **(765) 736-0568**.

*\* Standard text message rates apply.*

Don't have a mobile phone? Go to [rmd.at/gcctwenty](http://rmd.at/gcctwenty) on a desktop computer to sign up for email notifications.
