ACTIVITIES FOR TEACHERS, PARENTS, AND STUDENTS

The 2024 WHRO Public Media Spelling Bee (Video)

10:30 a.m.-12:00 noon (Do not need to register)

Webb Center, Cafeteria

Each year, middle school students from across the region compete at WHRO for the opportunity to represent our area in the Scripps National Spelling Bee. This year's regional bee featured more than 50 spellers. Competition was fierce among these excellent spellers making for an exciting event.

Mock Competition (You bring your own equipment)

10:30-11:30 a.m.

Webb Center (behind registration area in front lobby-pick up problem at the registration table)

During the time that the students are competing, we will also have an area set aside for the coaches and/or parents to come and participate. You will be given the opportunity to see the problem of your choice, and work on it while the students are competing. You will need to supply your own computer and other needed equipment. The solutions will not be judged, but this will be an opportunity for you to discuss with your students how you came up with your solution.
